## Care instructions

You have selected a product with a high-grade surface. Please follow the care instructions below.

The manufacturer does not assume any liability for product damage that arises as a result of incorrect care and handling.

### Care instructions for sanitary ceramic appliances

- Only use standard cleaning agents in accordance with the relevant manufacturer's instructions.
- Ensure that the WC seat, the bidet seat or the urinal lid is opened or dismantled during the application time of cleaning agents.
- Only use chlorine-based, abrasive or scouring cleaning agents in the event of heavy deposits.
- Never use cleaning agents that contain acid or that are corrosive.
- Never use sharp or pointed objects when cleaning.

Dirt	Care measures
Daily cleaning	<ul style="list-style-type: none"> <li>▶ Use mild liquid cleaning agents and water.</li> <li>▶ Dry the surface with a soft, lint-free cloth.</li> </ul>
Stubborn stains	<ul style="list-style-type: none"> <li>▶ Use cleaning agents that are generally suitable for sanitary ceramics or a mild scouring liquid.</li> <li>▶ Remove existing limescale deposits using a mild cleaner containing vinegar.</li> <li>▶ Clean the surface with water.</li> <li>▶ Dry the surface with a soft, lint-free cloth.</li> </ul>
Heavy deposits	<p>Organic deposits (brown to black in colour):</p> <ul style="list-style-type: none"> <li>▶ Clean the affected areas with a standard chlorine cleaner. Note the information provided by the cleaning agent manufacturer. The application time of the chlorine cleaner must not, however, exceed 2 hours.</li> <li>▶ Clean the surface with water.</li> <li>▶ Dry the surface with a soft, lint-free cloth.</li> </ul> <p>Silicate deposits (grey in colour):</p> <ul style="list-style-type: none"> <li>▶ Wet a microfibre cloth with a standard ceramic glass cleaner.</li> <li>▶ Clean the affected areas using circular motions. As silicate deposits are extremely resistant, several cleaning cycles may be required.</li> <li>▶ Clean the surface with water.</li> <li>▶ Dry the surface with a soft, lint-free cloth.</li> </ul>
