## Installation Guide

**AQE-MED-054-XX**

AQUAECO FOLDING SHOWER SEAT

A member of **SANIPEXGROUP**  
[www.sanipexgroup.com](http://www.sanipexgroup.com)

## IMPORTANT PLEASE READ

Remove all packaging and check the product for missing parts or damage before starting installation.

Any alterations made to this product and fittings may infringe water regulations and invalidate the guarantee.

The Installation must comply with all Local/National Water Supply Authority Regulations/Byelaws and Building and Plumbing Regulations.

We strongly recommend that your product be installed by a reputable qualified trade's person.

### **General Installation:**

To the Installer, please read and follow this instruction carefully, as the guarantee is only valid if the product is installed as directed.

Don't rush, read the instructions first and run through them before you begin. Keep fittings together to avoid loss. Do not over tighten screws or bolts.

If the unit is covered with polyethylene protective film, do not remove until installation is complete to grant maximum protection. However, remove film where any two surfaces will be in permanent contact.

Verify that all dimensions on the plan are the same as the ones of the product.

Please leave this installation manual with the end user once the product has been installed.

### **Product Aftercare:**

We recommend cleaning with a soft damp cloth and mild soap solution.

Do not use cream cleaners or cleaners containing bleach.

Do not scrub or scour.

Do not use abrasive cleaning agents.

Do not use solvent based cleaners.

Fix the position of mounting holes on wall depend on the actual dimension of Stainless Steel Brackets(a total of 5holes).

Lock the screws on the wall in turn.

Fasten the PU seat pad on the bracket by 2 pcs screws and ensure the seat pad can be moved along guide channel smoothly, then these screws can be locked.

Installation Complete.

## Cleaning

All surface should be cleaned using a clean damp cloth. No abrasive cleaning agents or materials should be used.
