Exclusion of liability

HEWI accepts no liability whatsoever for damage to persons or property that occurs or has occurred as a result of improper mounting or maintenance, particularly if the safety instructions and other points to note listed are not or have not been observed in full. HEWI accepts no liability whatsoever for damage occurring from incorrect cleaning.

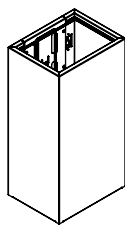

Safety instructions

These instructions are intended for qualified skilled personnel and the user of the installed product. Following installation, the instructions must be made available to the user.

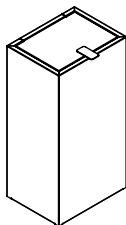

- Follow with the installation instructions and instructions for use.
- In case of questions, problems, uncertainties or if damage occurs, contact the HEWI support service.
- Ensure that the product is installed, maintained and repaired by qualified, skilled personnel only.
- Check the product for damage on acceptance. Report defects immediately.
- Install/use the product only:
 - in accordance with its intended purpose
 - in its original condition without modifications
 - in perfect condition
- Use original spare parts only.
- Use only HEWI fixing materials.
- Ensure that the wall structure in the installation area is even and adequately load-bearing.
- Only use in closed rooms.

Disposal

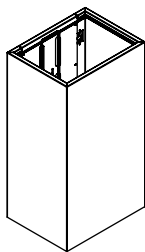

Disposal of the product and packaging is subject to the relevant national regulations.
